PARIS, KENTUCKY, FRIDAY, OCTOBER 2, 1914.

LATE WAR NEWS.

ROME, Sept. 30.—Fear that Italy will be drawn into the European war is greater to-night than at any time since hostilities started between Austria-Hungary and Serbia, nearly nine weeks ago. War against Austria is believed to be imminent.

The blowing up of an Italian fishing boat yesterday in the Adriatic and a loss of nine lives has caused Italy to protest formally at Vienna against the promiscuous and indiscriminate strewing of the open seas with mines.

In addition to this, all arms factories in Italy are running day and night, manufacturing big guns. It also has been confirmed that the Government expects to call out the 1885, 1886, 1888 classes of reserves.

BERLIN, Sept. 30.—No official news from the western battle ground has been received here since last night.

The newspapers have not been informed by their correspondents regarding the great general engagement which is progressing, and the details are not known here.

GHENT, Sept. 30.—The Germans have constructed five heavy pontoon bridges across the Meuse between Givet and Namur, apparently for the purpose of facilitating their retirement.

COPENHAGEN, Sept. 30.—All the German troops stationed in the Province of Schleswig-Holstein have been dispatched hurriedly to reinforce the German armies in France and Belgium.

FISCAL COURT PROCEEDINGS.

The Bourbon County Fiscal Court met in regular session yesterday, County Judge C. A. McMillan presiding, and Justices Martin, Thomason, Burris, Redmon, Stephenson, Lloyd, Shropshire and Turner present.

The report of County Road Engineer C. F. Redmon was presented, received and filed.

A large number of claims against the county were presented and ordered allowed.

The County Attorney was instructed to collect from George Estes the amount he subscribed to build the Shropshire turnpike.

County Treasurer S. E. Bedford was instructed to borrow the sum of \$1,000 for the use of the General Fund, and execute note for same, payable January 1, 1914, to bear interest at 6 per cent. from date.

Ordered that the sum of \$1,000 be paid to McKnight & Garnett on the Shropshire turnpike contract.

The sum of \$10 per month was ordered paid to John Elam for support of his family.

The salary of the Keeper of the County Infirmary was fixed at \$75 per month. Mr. W. Ed. Speakes was elected keeper for the ensuing year.

The following physicians were elected to attend to the pauper practice of Bourbon County at the salaries set opposite their names: Paris—F. M. Faries, G. L. Rankin and J. A. Gilkey, \$500, divided equally; Millersburg—Huffman, Dailey and Calhoun, \$200, divided equally; Flat Rock—B. F. McClure and P. F. McClure, \$100, divided equally; North Middletown—L. R. Henry and J. A. Cook, \$150, divided equally; Clintonville—W. C. Worthington, \$100; Hutchison—Logan Gragg, \$100; Cynthiana—S. M. Linnville, \$100; Ruddle Mills—F. H. Smith, \$100.

The salary of the County Road Engineer was fixed at \$1,500. The County Judge nominated and appointed B. F. Bedford as County Road Engineer. Upon a standing vote the nomination and appointment was disapproved.

James McClure was allowed the use of a county roller to roll the Kiser Mill and Mouth of Townsend pike, he to pay all the expense of the engineer and all damages to roller.

The Court then adjourned to Nov. 5, 1914.

PARIS CITY VOTE CONTESTED.

A petition contesting the election held in Paris last Saturday, in which the city voted "wet" was filed by the "drys" Tuesday afternoon. Wm. Myall and thirty-one others are the plaintiffs with T. F. Brannon and others defendants.

County Judge Chas. A. McMillan is asked to declare the election of Saturday void, the plaintiffs declaring that the call for the election of Monday antedated the call for the election Saturday.

In the notice and grounds of contest filed with County Clerk Pearce Paton, it is alleged that when the "wets" filed their petition asking for an election in Paris for September 26, they had notice of the pending of the petition and proceedings of the "drys" which had been previously filed, and that the "wet" petition was in law subject to the result of the older and former petition of the "drys;" that the result of the changed in any way by the proceedings changed in any way by the proceedings under the "wet" petition and that the election held in the city was null and void.

THE TABERNACLE MEETING.

Interest in the big revival being conducted at the Tabernacle by Evangelist Ham and Chorister Ramsey continues unabated and if anything is growing stronger with each day.

The capacity of the big building is severely taxed each night to accommodate the crowds that pour in from all parts of the county. Large delegations from outside towns came over Wednesday night and last night a big delegation from Cynthiana, Lexington and Carlisle helped to fill up the Tabernacle, already nearly filled with Paris and Bourbon County people.

Evangelist Ham is delivering some remarkable sermons, remarkable for their power and convincing qualities. And the song service under the direction of Chorister Ramsey is one of the most inspiring features of the meeting.

To-morrow night the place of honor will be given to the boys and girls of the Paris High School, who will march in a body to the Tabernacle, headed by the Paris High School Band to seats reserved for them. High School yells and songs will have a prominent place in the preliminaries, and it is expected that the enthusiasm will reach about fever heat when the regular exercises begin.

A "Tabernacle Nursery" has been established at the First Methodist Church and this will be open during the hours of tabernacle meetings in charge of competent women who will care for the babies left in their charge.

SECRETARY OF STATE INDICTED.

The Franklin County grand jury yesterday afternoon returned three indictments against Dr. C. F. Crecelius, Secretary of State, charging him with obtaining money by false pretenses.

The facts upon which this was based are supposed to be that he employed a new stenographer at a salary of \$100 the month, but while she was being shown the work by Dr. Crecelius' sister the latter received \$75.00 of the salary, the check being payable to the stenographer, Mrs. Mayne Y. Stone, who cashed it and retained only \$25 for herself. He is also charged with farming and selling State offices.

METROPOLITAN AGENTS MEET.

An important territorial meeting of the agents and superintendents of the Metropolitan Life Insurance Company was held at the local office of the company in the Wilson Building, Wednesday night, at seven o'clock.

The meeting, which was called for the discussion of matters pertaining to the life insurance business, was addressed by Mr. John H. Immel, of New York City, General Superintendent of the Kentucky, Indiana, Ohio and West Virginia agencies. Mr. Immel's address treated principally on the general condition of the life insurance business, but a large part of it touched on local affairs and local conditions. Mr. C. B. Wiles, of Paris, Superintendent of the Paris office, also addressed the meeting.

Besides the Superintendents of various agencies in the Ohio, West Virginia and Indiana district, representatives of the Metropolitan agencies were present from Maysville, Cynthiana, Falmouth, Mt. Sterling, Winchester, Corbin, Williamsburg, Pineville, Middlesboro and Jellico, Tenn. During his stay here Mr. Immel was the guest of Mr. Wiles. This was his first visit to Paris, and he expressed great admiration for "our town" and its handsome public buildings.

The Metropolitan has inaugurated a free nursing service for its policyholders, the work being under the direction of Miss Minnaker, who has charge of the visiting nurse work of the Health and Welfare League of Bourbon County.

HISTORIC PARKS' HILL CAMP GROUNDS SOLD.

The old-time camp grounds at Parks' Hill, in Nicholas County, where for over a quarter of a century camp-meetings were held, and where later on the Parks' Hill Assembly (Chautauqua) meetings were held, will now become a private residence property, having been purchased by Mr. Edward Damon, of Owensboro, from the owner, Mr. W. S. Feeback, of Carlisle, for about \$3,500.

Mr. Damon, who is a miller by occupation, some years ago made small fortune from a machine used in the milling business, upon which he secured a patent and a monopoly. He will convert the historic old camp grounds into a park, and will erect a handsome summer home on the hill top and will sell off the remainder of the property in small building lots suitable for summer homes to be erected upon. As soon as the new home is completed, Mr. Damon will move his family to it.

In its day the Parks' Hill camp-meeting was known far and near, and some of the most noted divines of the country have preached there. For several years it was the scene of the annual reunion of Morgan's men, and the Orphan Brigade of deathless fame.

The sale of the bric-a-brac, furniture, pictures and other household furnishings began Tuesday afternoon and continued over Wednesday, with a large crowd and spirited bidding. The offerings that went under the hammer included many valuable works of art in statuary, bronzes and bric-a-brac, representing a lifetime collection.

Frankfort sent a big delegation to the sale, among the number being Mrs. Sherman Goodpaster, Mrs. Graham Vreeland, Mrs. Samuel J. Shackelford, Mrs. George Baker, Miss Anna Baker, Miss Helen Hinde, Mrs. Thomas J. Smith, Mrs. Jno. W. Rodman, Mrs. Ben. Hughes and Miss Alma Eales.

PUBLIC SPEAKING.

State Senator Charles Carroll, of Louisville, will address the voters of Bourbon County, at the Court House Monday afternoon, at 2 o'clock.

Senator Carroll's address will be in the interest of the Democratic nominees—Ex-Governor J. C. W. Beckham, for the long term in the United States Senate; Hon. J. N. Camden, for the short term in the United States Senate, and Hon. J. C. Cantrill for Congress in this district.

Mr. Carroll is a forceful and convincing speaker, and should be greeted by a large audience. (It)

KY. GRAND LODGE K. OF P.

The Grand Lodge Knights of Pythias of Kentucky, will meet at Frankfort next Tuesday, Oct. 6, and the Grand Lodge of Kentucky Odd Fellows will meet in same city, the following week, beginning Tuesday, October 13.

CANTRILL TAKES STEP.

Representative J. C. Cantrill, of Kentucky, put it squarely up to the Department of Justice for a decision of the question whether or not the tobacco growers of Kentucky will be allowed to form a pool or "selling organization."

A recent decision of the United States Supreme Court has created some doubt on the subject, and Mr. Cantrill wishes to have a clear-cut understanding so that the tobacco farmers of Kentucky may know how to proceed in marketing this year's crop.

A letter which the Congressman received from R. K. Blake, of Hawesville, Ky., a member of the American Society of Equity, furnished a convenient way to get the question before the Department. Mr. Blake wanted to know whether the Kentucky tobacco growers will be allowed to conduct a pool in the future as in the past, in view of the recent decision of the United States Supreme Court. Mr. Cantrill forwarded the letter to the Attorney-General and with it a letter of his requesting a ruling, so that the tobacco growers may know how to proceed.

AGED WOMAN DIES SUDDENLY.

While waiting at the L. & N. passenger station in this city yesterday morning for a train to Lexington, Mrs. Nancy Munday, of Harlan County, was stricken with heart trouble and fell over on the floor of the waiting room, expiring in a few moments. Mrs. Munday came to Paris on the 5:30 train yesterday morning en route to the Eastern Kentucky Hospital in Lexington in charge of Mr. S. K. Glenn, a hospital attendant. Mrs. Munday was sixty years of age and had been in failing health. The body will be sent to her home in Harlan County.
